A little bit about your

Sin City Rollergirls

The Sin City Rollergirls began as a twinkle in the eye of Las Vegas in 2005. A small handful of women were interested in bringing the sport of flat-track roller derby to Las Vegas. Thousands of laps and hundreds of bumps and bruises later, our organization has expanded to over 80 league members.

Our league consists of 4 home teams: The Notorious VIP, Tommy Gun Terrors, The Hoover Damned, and The Flying Aces. Las Vegas is represented on a national level by our league's travel team, The Fabulous Sin City Rollergirls' All-Stars.

The Sin City Rollergirls are different from your run-of-the-mill sports team. The league is skater-owned and operated. We do our own marketing, accounting, and management internally by utilizing the diverse skills of our skaters and volunteers. All the skaters and staff are 100% volunteer. None of us get paid to play or be involved with the league. In fact, the women of SCRG cover league expenses each month with their own money, or dues. SCRG will often hold fundraisers or throw fun parties to help cover costs like practice facilities, venue expenses, and league insurance. All proceeds for this event will be recycled right back into the league to help us cover some of these costs, with a portion going to charity.

SCRG is a proud member of the Women's Flat Track Derby Association (WFTDA), the national governing body for women's flat-track roller derby (wftda.com).
